I. Library Cards and Borrowing Privileges

A. Residents

The Plainedge Public Library issues Library cards without charge to residents of the Plainedge Union Free School District. Applicants must verify residency with proper identification. Library cards, issued to District residents, are valid for three years. Cards, in good standing, can be renewed every three years. and entitle patrons to Direct Access privileges at other libraries within the Nassau Library System in accordance with the Code of Procedures as set forth by the member libraries of the Nassau Library System. This code provides for the borrowing of books and other materials throughout the Nassau Library System by all borrowers with a valid Library card issued by any member of the Nassau Library System.

B. Children's Library Cards

Children residing within the Plainedge School District may obtain a Library card at any age. However, a parent or guardian, must themselves have a card in good standing, and must sign the application for a child's Library card. By doing so, the parent or guardian accepts full responsibility for all Library materials borrowed on the card.

C. Non-Resident Taxpayers

Library cards may also be issued to non-residents who own property within the Plainedge School District and have proper proof of payment of Library taxes. Such cards shall be valid for

one year and have the same Direct Access and borrowing privileges as those issued to residents.

D. Teachers in the Plainedge District, Business Owners and Their Employees

The owners and operators of businesses, as well as teachers, within the boundaries of the Plainedge Union Free School District are welcome to use the resources of the Plainedge Library. A letter of authorization with the company letterhead and signed by an officer of the company must be submitted. This officer shall be responsible for all lost and damaged materials charged out with this courtesy card. This card will be issued for one year and does not have Direct Access privileges.

E. Non-Residents

Library cards will not be issued to non-residents. State Mandated Access Cards, which are issued to non-taxpayers through the East Meadow or Levittown Libraries will be honored as Direct Access (out-of-district) patrons.

F. Students

Non-resident students who attend schools within the boundaries of the Plainedge School District may be issued Library cards. Students' cards are valid for one year and entitle the student to borrow books and other Library materials from the collection of the Plainedge Public Library only.

II. General Procedures for Obtaining a Library Card

A. Applicants for Library cards must provide two (2) forms of identification with a valid address, one must be a photo identification. Those applying for Library card privileges as district employees, students, or non-resident taxpayers must also provide two forms of identification with a valid address.

Acceptable forms of proof include, but are not limited to, driver's license, insurance cards, car registration, mortgage, lease/rental agreements, business cards, tax bill, utility or phone bill with a recent postmark. Post Office boxes are not sufficient proof of residence.

Planned patrons can apply for a library card, online. They will be issued a barcode, typically within 48 hours. The barcode can be used to use the databases, reserve books, checkout eBooks and audiobooks, make museum pass reservations, etc. The card will be issued for one month only. When the card is picked up in person, we will extend the expiration for the entire three years. Patrons should be prepared to show identification when they pick up the library card.

Renewals can also be done online, with the same basic procedure as outlined above, assuming the patron does not owe more than \$10.00. The renewal application can be filled out, and a copy of driver's license or one form of photo identification uploaded. Our staff will extend the expiration date for one month. At that time, the patron will need to come in to pick up their card, and the expiration date will be adjusted to the full time allowed.

B. A parent who requests a Library card for their child, must themselves have a library card, in good standing. And, they must sign the Library card application and accept responsibility for all

Library materials borrowed on the child's card. The Library will not issue cards to children without parental permission and verification of address.

C. Once a student is in the 6th grade may get parental permission to have full access to the adult book collection, and their account is now marked as "Young Adult." They may borrow audio visual materials and DVDs as well. Students may use parental proof of residence or a previously issued valid Plainedge Library card as proof of residence. When they reach age 18, they will get a new adult card.

D. Library cards will not be issued or renewed for persons with outstanding overdues or fines or without sufficient proof of residence. Patrons must clear their accounts in full before being issued a new or renewed card. Library cards will not be issued or renewed to a parent who has signed an application for a child's Library card that has outstanding overdue materials or fines in excess of \$10.00 until the child's account is cleared.

III. Direct Access

A. Since it is the responsibility of the Plainedge Public Library to reimburse other libraries for lost, damaged, or unreturned materials that are obtained by inter-library loan or that are borrowed on Direct Access, the Library cannot extend this privilege to anyone other than residents and non-resident taxpayers.

B. Borrowers with cards from other Nassau libraries with "Direct Access" indicated in their record, have the same privileges as residents except that the following may not be charged out on Direct Access cards:

Audiobooks

New CDs

Video Games, DVDs and Blu-rays

Museum Passes

Hotspots

E-Readers

Library of Things items

Roku Streaming Sticks

C. Direct Access borrowers are not eligible to apply for inter-library loan materials through the Plainedge Library. Requests must be placed through their home library. Reserves and requests will not be taken from Direct Access patrons.

IV. Fines and Fees

The Plainedge Board of Trustees has opted for a hybrid, fine-free model of service. "Fine Free" does NOT mean "No responsibility." It means that we wish to remove barriers to using the library and borrowing items. We will send reminders and notices and will expect items back in a timely manner.

The fine free policy does NOT apply to new books, new audiobooks, new DVDs, e-readers, video games, museum passes, Library of Things items, or Wi-Fi hotspots, or Roku streaming sticks. Patrons will be responsible for paying for replacement of lost or damaged items.

If a patron owes more than \$10.00, they cannot borrow any Library materials until the fine is paid.

A. The following fines shall be charged for materials returned after the date due:
